Development of Heritage Lakes such as Sweta Ganga, Markandeya, Narendra and Indradyumna in the Heritage City of Puri under ABADHA Scheme on Turnkey basis			
Sl. No	Document / Drawing Reference	Query	Response
1	Pg 85 CI No. 1.1.11	Please clarify whether the total contractual period is 6 years 6 months from date of commencement considering the Intended Completion Date: 18months from the date of commencement as per Clause No. 1.1.16 at Page 87 excluding the landscaping works.	The RFP condition shall prevail. The execution period including landscaping works shall be 18 (Eighteen) months. Defect Liability period for the plantation part of the landscaping work shall be 1 (One) year from Actual Completion Date. Defect Liability period for all other works shall be 5 (Five) years from the Actual Completion Date. Operation and Maintenance Period shall be 4 (Four) years from the Actual Completion Date.
2	Pg 308, Section-8, Scope of Work, Clause No. 20	In the entire tender, there is no such clause numbered as 3.2.4 . We would request to kindly clarify the same.	Refer to Corrigendum No. 2
3	Page 306, Section - 8, Scope of Work	Please clarify the same.	Refer to Corrigendum No. 2
4	Page 310, Table - Details of ponds & brief scope of work, Clause 5 - IoT devices for Water Quality monitoring & Display	Neither there is any detailed description for this, nor is the same mentioned in the Section - 9, Payment Schedule for Sacred ponds. We would request you to kindly elaborate on the above mentioned clause, both for tech details as well as payment associated with the same.	The Bidder needs to provide IoT devices such as water quality sensors / equipments, storage of the sensor data and display of the water quality parameters. The payment for the same is inclusive of the water treatment provision for the sacred lakes.
5		Is there any pre-qualification eligibility criteria for the original technology manufacturers for the Water treatment technology? If yes, you are requested to kindly share with us.	The RFP Conditions shall prevail. However, prior approval of Employer is required in respect of water treatment technology, materials to be used and its original manufacturer(s).
